TRADES							
BUILDERS/ CARPENTERS	Recommended by	NOT Recommended	Personality	Communication	Appearance	QUALITY OF WORK	Price Point
BBB- Bob Brown Builders..... phone. Mobile. Email.	Cindy & Craig, who used him on there bathroom renovation		Friendly, Helpful, Laid back,	Great, Called back the same day, was more than happy to give me time and answered any questions I had.	Neat, Tidy, Well maintained, and well presented.	Great finishes, Always cleaned up after themselves. All his workers were friendly and easy to deal with	Very Reasonable. Also has a few other qualified and licensed tradies that work on his jobs regularly .
AzTek builders..... Phone. Mobile. Email.		By a friend of a friend..	Rude, Dismissive, Arrogant	Never returned phone calls, would text back days later.	Not great, untidy, very low energy. Hard to be around	Didn't complete all works, could not get him to schedule times.	Reasonable, however due to blowing out time frames, ended up costing more for other trades.
PLATINUM BUILT..... Phone. Mobile. Email.	Aunty Rose		Very Friendly, very punctual, Over helpful. Was like a part of the family.	Amazing, Sent someone out the same day, Offered to handle absolutely everything. Emails and phone calls were answered straight away.	Very well presented, plenty of portfolios of previous work done, Had plenty of great references..	2nd to none. Absolute class when it comes to finishes.	VERY EXPENSIVE... They have to cover their cost of the New vehicles, the shiny brochures, Their Uniforms, Office space in the centre of town, staff.. so on and so on. Bigger businesses sometimes have more Overheads they need to cover.
ELECTRICIANS							
ABC Electrical..... Phone. Mobile. Email.	Next door Neighbour		Friendly, quiet,	Great, answered calls straight away	Clean, neat and tidy	Fast and efficient	Very Reasonable, Didn't charge any extra for call out.
WIRED AZ.... Phone. Mobile. Email.	Realestate agent		Tired, not very motivated	Good, only text though.	Alright..	Took longer than expected to do small job, wouldn't give a fixed price.	Not too bad, but wouldn't do a fixed quote.. BUT also offered a better price for CASH.?
